Why you are always a cut above the competition when you use LUTZ BLADES

WHY LUTZ BLADES

» Flexibility thanks to CNC technology and rapid prototyping
» Prelaunch initial samples within a few days

» Top-of-the-range quality in series production. Consistency from the first to the millionth blade.
» Application-specific materials and hard coating

» Standard blades > 1500 models
» Special blades > 500 models
» Smallest batch size = 1
